Welcome To Kainos

WELCOME

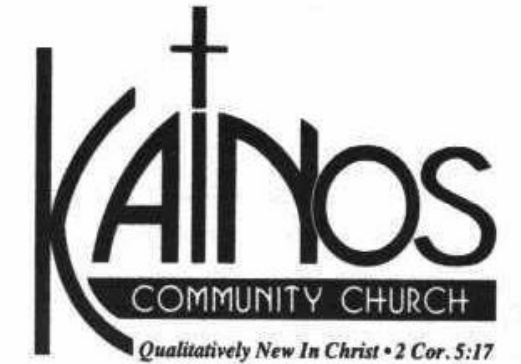

We welcome all our guests this morning. It is our hope that you will experience “authentic fellowship”, as well as the presence and power of Jesus Christ as you worship with us today. If you're looking for a place to belong, where people love and support one another you will find it here at Kainos. We are here for you! Kainos Community Church has come into existence to disciple new creations in Christ.

“What’s In A Name”

Kainos (Ki...noss) (rhymes with Ross) is a New Testament Greek Word which means different from usual, better than old, superior in value. It means “Qualitatively New”, radical. II Corinthians 5:17, says, “If anyone be in Christ, she/he is a new (Kainos) creation; the old has passed away, everything is new.” Kainos is the epitome of the completely different and miraculous change, which is brought about at the time of salvation.

We Celebrate and Thank God for:

- ☞ **Our Married Couples** who are leading in worship today.
- ☞ **Our Married Couples Retreat** held this weekend. We thank God for Ministers Lander and Julie Terry, Tim and Angela Thompson, Kerry and Judith Hodges and their team for their hard work in putting the Retreat together.
