Invocation – Minister Howard Eaves
(Congregation)
 We worship our Creator, the God of love. We exalt you and magnify you in this place. You continually sustain us and preserve our going out and our coming in. You are God; and we praise you. We acknowledge you to be Lord. Help us to hear what we've never heard before, see what we've never seen before and do what we've never done before, because of our time with you. Fill this place with your presence and power. We are expecting miracles, signs and wonders! To You be the glory forever and ever! Amen.

Worship Reprise: Lord of the Harvest, Lord of the harvest

You are the Lord of the harvest,
And we Worship you, we Worship you!

Welcome To Kainos

WELCOME

We welcome all our guests this morning. It is our hope that you will experience "authentic fellowship", as well as the presence and power of Jesus Christ as you worship with us today. If you're looking for a place to belong, where people love and support one another you will find it here at Kainos. We are here for you! Kainos Community Church has come into existence to disciple new creations in Christ.

"What's In A Name"

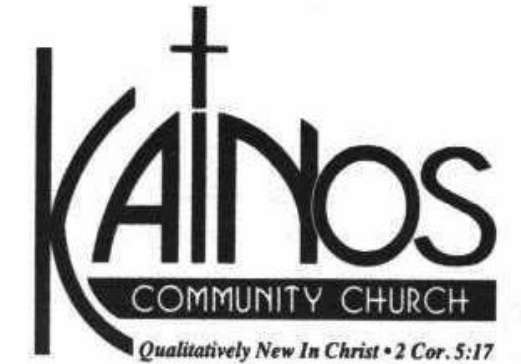

Kainos (Ki...noss) (rhymes with Ross) is a New Testament Greek Word which means different from usual, better than old, superior in value. It means "Qualitatively New", radical. II Corinthians 5:17, says, "If anyone be in Christ, she/he is a new (Kainos) creation; the old has passed away, everything is new." Kainos is the epitome of the completely different and miraculous change, which is brought about at the time of salvation.

We Celebrate and Thank God for:
