Peter may have been the first one out of the boat, but Jesus' invitation to walk on water is for you as well. This class will invite you to consider the incredible potential that awaits you outside your comfort zone-out on the risky waters of Faith. This is where you will meet Christ, out where the sea is high and the footing impossible. If you accept this challenge, you will experience the power of God in your life to do something you would not be capable of doing on your own. Let Peter's walk stand as an invitation to everyone, who like him, wants to step out in faith, who wants to experience more of the power and presence of God.
